

Hello, and thank you for registering for the 2015 Fall Photography at the Summit, September 27 - October 2, 2015!

First, I want to say that I look forward to meeting and working with all of you, and if at any time you have any questions please feel free to call me at 1-800-745-3211.

The host hotel:	Alpine House 285 North Glenwood Street Jackson, WY 83001 1-800-753-1421	Host site:	National Museum of Wildlife Art 2820 Rungius Road Jackson, WY 83001 1-317-733-5771
-----------------	--	------------	---

The faculty will stay at the Alpine House in downtown Jackson, however the Alpine House is a small bed and breakfast and will fill up, so don't wait too long to reserve your space. That being said, most workshop sessions are held at the National Museum of Wildlife Art, just north of town, so you may choose any of the hotels in the town of Jackson that fit your budget. All will be roughly equidistant to the workshop classes.

Many of you have inquired about renting cars and we agree it is a wise choice. Think of this workshop as an investment, one in which you will fully benefit from if you have access to travel when and where you need it. We understand that budgeting is important, and you may find that once you meet other workshop participants you will meet someone interested in sharing car expenses as well. A number of great locations to photograph are a decent driving distance from town, not to mention the daily trips out to the museum.

We'll be updating the downloadable online packets about two months prior to the event, when we have a majority of the details finalized and a complete instructor staff announced. Please be aware that while Nikon is supplying equipment for student use, we ask that you bring all the camera equipment that you normally use. You must also bring a laptop (either Mac or PC) or some other work station on which to download and edit your images.

When making travel plans, please note that we are also planning a day devoted to the Digital Photography 101, on Sunday, September 27th. These sessions are designed to get you up to speed on the advancements in digital cameras, software and workflow, as well as general photography best practices to give you a strong footing with which to start the week. We will have a reception for all participants Sunday evening, in the Museum Members' Lounge. We would like you join us for appetizers, drinks and the company of fellow workshop participants and instructors. The week will conclude with a banquet on Friday evening, October 2nd, at the Teton Pines Resort. The dinner will wrap up around 10 p.m. with many participants and faculty heading to the bar for some final hours of socializing, so please plan on departing Jackson on Saturday in order to fully enjoy Friday's events.

If you have paid only your deposit, please remember that the remainder of the registration fee needs to be paid three months in advance. Just prior to that deadline, we will email you a reminder that we need to run remainder of your tuition. If you would prefer another method of payment, or you paid your deposit by check, please contact us at that time to finalize payment. Tuition deposits will be refunded in full up to June 30th. After that time, if you need to cancel for any reason, your paid deposit/tuition is non-refundable, but can be applied in full to a future workshop of your choosing.

Again, thank you for enrolling in the Fall Photography at the Summit, we look forward to seeing you in late September. Remember to keep checking the website for the latest information, downloadable workshop packets and schedules at www.photographyatthesummit.com.

Sincerely,

Chris Steppig
Workshop Director
